

Brett Lee BUNKER

May 21, 1963 - March 3, 2019

Brett Lee Bunker, 55, passed away on Sunday, March 3, 2019, of a heart attack in St. Peters, Missouri. He was born May 21, 1963 in Salt Lake City, Utah, the son of Glendel and Alice Bunker (Beshears). He moved to St. Peters, Missouri from Sierra Vista, Arizona, five years ago.

Brett grew up in Kearns, Utah. He enjoyed spending time with his family. Growing up his favorite family vacations were camping and hunting at deer camp. After graduating from high school Brett served in the Navy for 3 years. Brett was working construction in St George, Utah when he met his wife, Jennifer. They were married September 10, 1994 in the Manti, Utah temple and were looking forward to celebrating their 25th anniversary this year. While living in Mesa, Arizona their 3 children were born. Brett had a unique and special relationship with each of his 3 kids. He loved them dearly.

Brett was an avid Denver Broncos fan and loved to talk sports with everyone! He also enjoyed golfing, fishing and gardening. Brett was a self taught "computer nerd". He loved to read and that love helped him to advance his career in IT. He enjoyed working the past 2 years at Centene where he had many wonderful friends and associates.

He is survived by his wife, Jennifer and his three children, Kaleb, Jacob, and Emily Bunker. He is also survived by his father, Glendel Bunker (Joan), his sisters, Lynette Smith (Ray) and Jeanne Miller (Randall) and brother, Chad Bunker (Angel), and numerous nieces, nephews, aunts, uncles and his fur buddy, Duke.

He was preceded in death by his mother, Alice Bunker and brother, Kirt Bunker.

Above all else, Brett's greatest love was his family and we are so thankful for the knowledge that our family is eternal and that we will be together again someday.

There will be a memorial service on March 22, 2019 in Orem, Utah at 3:00 p.m. The services will be at The Church of Jesus Christ of Latter-day Saints, 1000 North Main

Street, Orem, UT

“ Brett

I can still see you across the street from me and us walking out to meet in the driveway and spend hours just talking and laughing. We were very fortunate to have gotten a chance to know you and your family.
Rest in peace my friend

“ Brett is my nephew. From the time I first met him after he married Jennifer, I have loved to be around him. He was kind, & he was fun. He was a Broncos fan, but I forgave him for that a long time ago!

May God bless, strengthen, & comfort you, my precious Jennifer & your babies as you go on through life. He will be with you, I know you know that.

“ Brett was always a guy who made coming to work enjoyable - we always razzed each other because of my affinity for the Kansas City Chiefs, division rival to his Broncos. I never saw Brett be anything but kind to everyone he interacted with, and I ALWAYS looked forward to him stopping by my area to chat with my team and me. My thoughts and prayers are with the Bunker family at this painful time.
