

Bryan Thomas KUHLMAN

February 17, 1982 - November 25, 2021

Bryan Thomas Kuhlman, 39, of St. Charles passed away unexpectedly on November 25, 2021. Loving Husband of Betty (Sutton). We are devastated by his passing and are completely unprepared for his loss.

Born on February 17, 1982 to loving parents Gary Kuhlman and Cheryl (Ron) Ray. He is preceded in death by his Grandparents and his beloved Aunt Debbie. He is survived by his brother Andrew (Karah) Kuhlman, Kimmy (Kevin) Coomer and Tina (Rodney) Ritter, Step Brothers Ron, Austin, and Shane Ray, loving uncle to Ella, Mia, Finley, Tucker, Everly, Olive, Lilly, Alex and a baby boy joining the world in January 2022.

Bryan worked at General Motors in Wentzville, MO as a forklift operator since 2011. He was passionate about anything car related, firearms, RC cars & planes and anything he could take apart and make better. He loved all animals, especially dogs, including his own 4 dogs- Kai, Neva, Eve and Luna. He often would make donations to local animal shelters and always contributed to fundraisers for his friend's kids. He adored spending time outside during the cooler weather and just sitting and listening to thunderstorms and the rainfall. His presence is sorely missed and his loss is deeply felt.

There will be a Visitation at Alternative Funeral & Cremation Services on Friday, December 3, 2021 from 5:00 - 8:00 PM.

In Lieu of flowers please make monetary donations to Stray rescue of St Louis in Bryan's memory to www.strayrescue.org or bring items to visitation to be donated to local shelters.

“ There are so many things I could say...but first thank you for allowing me to be your wife of just over a year. However our 10 years were not enough. One of my favorite memories is getting lost on our way to Grafton on the back roads cause Google was confused. Then you telling me about when you would visit there with your Grandparents. We went to one of the look outs and it was one of the few times I saw you completely at peace. I miss you and love you more.

Betty Kuhlman - November 29, 2021 at 01:44 PM
