“ I remember Carol, from when Sherry and I hung out at her house on a daily basis in highschool. I have a lot of fond memories. I remember when Carol took Sherry and I to find Sherry's prom dress. This was before the mall was called Scottsdale Fashion Square. We had a lot of good times. She will be missed.

“ I am trying to remember how long I have known Carol. I really dosen't matter. I met her through her sister-in-law Sue Underdown in a service organization called ESA. Carol and I have always joked and laughed about our age. Me being sure to remind her that she was older than me (ahem) by only 3 months. LOL I really enjoyed spending time with Carol. She was a fun person with a delightful personality. We did many volunteer projects together. It was fun just to be able to drop by her home and we would either have a heart to heart talk or maybe go for a soda or ice cream. Carol faced many challenges and worked hard to keep them in prospective. I will miss her even though the last few years we had let life get in the way of our friendship. Rest in peace Carol and keep them laughing and smiling up there in heaven..

“ I have so many memories of Carol. She watched me and my sister until our parents came home from work each day. We grew up with Kirk and Sherry, Carol was really another mother to us. She was a great lady, always there for others. She will be missed dearly. Wish we could be there to give you hugs. We love you

“ I don't know what to say about Carol. She was like a second my mom. What a beautiful person and I will miss her so much. Carol is a huge loss for everyone who knew her. I remember grilled cheese with tomato soup, it was the best. I remember trying to mate rabbits when they were the same sex. Oh gosh Carol was the best. Sherry remember when we would get locked out of the house? Your mom was always there to provide the butter knife so we could unlock the door. This has to be so hard for you & your family. My prayers are with you. I just love you and I wish I could have said goodbye. Sorry, for funny memory. Do you remember when we mooning people on the end of McKinley Street? We were in so much trouble. Back in the day everyone knew everyone. They called your mom and we were in so much trouble. I have so many great memories of our childhood. Your mom was the best and a very caring person. I wish I could give you a hug. I just love your family so much.

“ So sorry for your loss. Carol was the big sister of my best friend Karen. I knew her since I was 10 (I'm now 75 so it's a long time!). I really looked up to her as the big sister that could do all the things we couldn't do as kids! The most exciting time was her wedding. I was 14 and was invited as her sisters best friend. I was thrilled by the beautiful dresses And especially the hoop skirts the bridesmaids wore!!! Carol was always kind and encouraging to us "little" kids. We Adored her. Eddie tolerated us! The world was a better place because she was here.

“ As Sherry's sister-in-law, I had the joy of spending many happy family times with Carol. Her sense of humor and unflinching good cheer in the face of challenges have been inspirational to me. I will miss her but her influence and spirit and love live on.

“ The first time I met her, which had to be in 2004 or 2005, I was struck by her kindness and how sweet she was. I met her through her daughter Sherry. I felt like I had known her for a long time. She was so welcoming and friendly. She was such a loving mother and grandmother, and someone you could talk to -- plus she was really fun to be around. You just immediately felt comfortable around her.

I am so sorry she had to suffer, for cancer is such a cruel disease. I know she left a great legacy for her family, and her memory will be a blessing for Kirk, Sherry and Sherry's family.

She is with the angels now, and I hope you can take comfort in knowing that she left her mark, "for good."

My sincere condolences.

“ Thank you Lynn. Your words are so kind and loving. My mom was very loving of anyone she met; and loved unconditionally with her heart. She loved as her Lord loved.
