“ Dear Tammy, Jeremy and Crystal.
We are all so lucky to have known Pat throughout these many years. I remember his smile, and kind words he always had for me. I enjoyed seeing the photos of his family life at the VFW hall, and how proud he was with his family and especially with the grand children. May you be comforted by the wonderful memories and feel close to him as you tell stories about him to the kids and grandkids.

“ I was so VERY sorry to hear about Pat's passing. I know it has been a long, hard fight. It's been years since I've had the chance to spend any time with him, but I do remember him ALWAYS offering to help others. As a matter of fact, he installed the mud flaps on the Blazer that I still drive. :) He was one-of-a-kind, and I am Blessed to have known him. My deepest sympathies to his family. He really did cherish his grandchildren.

“ My siblings and I always referred to him as the cookie guy. Growing up he was our neighbor and he would always give us cookie when we saw him outside. He always had a smile on his face, such a kind soul.

“ Truly going to miss him, remember spending time at his house growing up. He has a way with kids. My daughter took to him right off the bat. He will be greatly missed
