

## Daniel Lawrence NICHOLSON

October 7, 1982 - March 14, 2021

Dan Nicholson, 38, of Saint Louis, Missouri passed away Sunday, March 14th.

He is survived by his daughter Rayne Judith, his parents, Judy Naff and Larry Nicholson, brothers Jim, Joe, and Ryan as well his extended family with many aunts, uncles, cousins, nieces, and nephews.

Those of us who knew Dan saw his desire to build a family and be a good dad to his daughter Rayne. Dan was always trying to instill good habits in the children in his life. He loved teaching kids how to take boring chores and make them fun. He'd look at cleaning the kitchen floor and turn it into a game of slip and slide to keep the kids giggling while they cleaned.

Dan loved his family and most of all his mother. He was always checking on her, making sure they talked regularly and during difficult times in her life Dan would do his best to be by her side to comfort her. When Mom suffered a life-threatening brain aneurysm Dan tested the limits of the visitation policy at Barnes-Jewish hospital, practically living there in order to be near her and keep an eye on her.

The only thing he might have cared more about than his mother would possibly be ice cream or video games. Dan taught both his younger brothers and his nieces and nephews that there was no mercy in Tekken championships and if you were able to beat him in a match you knew you had truly accomplished something.

A private service is planned at Alternative Funeral and Cremation Services on Saturday March 20th from 1PM to 3PM.

In lieu of flowers, the family requests donations in Dan's name be made to centers that help those with substance abuse issues such as Places for People in Saint Louis, Missouri.

“ i am so sorry to hear about Dan. He was always at my house in his teens and early 20s to the point i wouldn't think anything of it when i came home from work and he would be there watching tv eating and my own kids would be gone.
