Everyday the love for each other grew more and more they had find the true love they had never known. Gene lived everyday to love Cheryl to the fullest and she lived everyday to make sure there Love stayed strong. I am so thankful we were apart of this Love story and all the memories that come with our friendship. What a Great Husband and Wonderful Friend.

“ My brother Gene was a great man ! His selflessness to help others in need was a quality that allowed him to touch so many lives. He has always been there for me and my family. I have lots of fond memories spending time with him and laughing. He truly could crack me up. He truly fought hard to stay with us. His love for Cheryl was so deep. I'm so glad that Cheryl was able to give him the love he deserved in the years they had together, and the strength to help him have a peaceful death in his own home. God has one hell of a Angel in the heavens with him now.

“ My father-in-law Gene was was of the most giving men I have ever had the honor of knowing. He helped Chris and I w/so many things in our previous home then helped us pack up that home, prep it to sell, then drove a U-Haul to Florida to help us get settled in our new home. He has ALWAYS been there for us no matter what we asked of him(and Cheryl,too). I truly do not know what we will do without him. He was a good father & a great man. We love him so much and miss him even more. I guess God needed a world class electrician to rewire heaven. You will always live on in our hearts, Gene Wilds.

“ Dear Wilds family. I am so sorry to hear of your loss. I met Gene and Cheryl when they came to donate platelets and blood. Gene was always so kind and funny. Always enjoyed the time spent with both of you. My thoughts and prayers are with you at this difficult time.

“ I only met Gene once . His sister in law and I stayed all night in his home on our way to Arizona . Gene couldn't have been any kinder or more generous to me a pure stranger . When we left the next morning to proceed on our trip , Gene extended a welcome anytime to me when near Cheryl and his home . One could certainly feel his caring heart and he demonstrated this

“ Dear Cheryl and Family, we will truly miss this sweet soul. He had a way of making you think you were the most important thing in his life while really it was him. His kindness and love for everyone will be missed by all that knew him. We are so proud to call him friend and so sorry he had to leave so soon. Love and Prayers to you all.
