“ My thoughts and prayers are with Van"s family and friends. I got to know Van when I was 8 years old and my aunt went to her to get her hair done for years and then she did my hair. She was very special to my Aunt Millie and me

“ I loved this lady. She and I were cousins. We lived down the road from each other for awhile. We used to walk down the road to church together. She had a lot of spirit. I remember sitting on the ditch dump with a jar of sour kraut and eating to our heart's content.
So sorry for the family for the loss. She will be missed.

“ Oh my! I am shocked and deeply saddened. I tried to contact her about 6 months ago but she was recovering from a hospital stay. I should have tried harder. She was by far the sweetest friend and previous coworker I had. Loved her spunk. She never was at a loss for words. I am so very glad I was lucky enough to know her. She was truly one of a kind. She

will be missed dearly. Not just by myself but my family as well. Praying for her soul and for her family and friends.
