

James "Jimmy" Clark JOHNSON

January 15, 1944 - April 10, 2022

James "Jimmy" Clark Johnson, beloved husband, dad, papa, and uncle, passed from this life peacefully Sunday, April 10, 2022 at home in St. Charles, Missouri, surrounded by his sweet family. He was 78 years old.

A true comedian at heart, Jimmy always had a good joke on the tip of his tongue that would make you laugh, cry, or get a roll of the eyes. You never knew if he was telling a real story until he delivered the punchline or started laughing at his own joke, which he always did.

He loved the adventure of the open road getting out with his motorcycle or his 3-wheel Slingshot whenever he felt the need for "wind therapy". If any family member or friend needed help, Jimmy was there or would get there to assist with a caring heart. "Whether I needed a pick-me-up story or joke, or to be picked up because I had car trouble, Jimmy would drop what he was doing to help me".

James was born in 1944 in Alton, Illinois, to parents Bernice and Robert Johnson. He was the baby of the Johnson family, with three siblings who adored him.

In addition to being a loving husband, dad, and papa, James was a dedicated employee of Pundmann Ford where he retired in 2018 after 38 years of loyal service.

James' life will continue to be celebrated here on earth by his loving wife Ann; daughters Karen (Jeff) and Tina; grandchildren Kelsey and Dylan; son-in-law Louie; first wife Glenda; bonus daughters Christina and Tara; several nieces and nephews, in-laws, and countless friends. James is welcomed into heaven with joy by his first daughter Debbie and siblings, Marlene, Dub, and Bob, and his parents Bernice and Robert.

"Jimmy's love, life, and laughter will be missed by all of us."

“ *It's not ever easy to lose a loved one, and my heart goes out to all that loved him. I've worked with Karen for just over 10 years and I know how special her dad is. Nothing anyone can say or do will repair your broken heart- except the loving memories you have of him. That is his forever gift to you. Sincerely, Renee*

“ *Jim took me under his wing and showed me the ropes in the auto business when I was 23 years old. He always treated me as a friend and had time to help me- even though I was a youngster to him at the time. He never treated me with anything but kindness and respect and truly cared about me. There are a few people that you will always remember helping you through your journey in life and Jim is one of the top few who have helped get me where I am today. I will always remember and appreciate him. Oh, the stories and jokes he could tell!!*

This wonderful man made sure everyone that he was around felt special. He made you laugh with his wonderful jokes. Jim gave his heart to my sweet sister Ann They loved each other and enjoyed everyday together. They both knew what true love was. They shared it. We will miss our sweet Jim. The memories he left us will bring a smile to our faces. We should all hope to be as kind and loving as he was. Linda & Joe Mrasek.
