

Judith Magdalene HAENNI

August 30, 1952 - September 11, 2019

Judy Haenni died on September 11, 2019. She lost her life when hit by a vehicle while crossing Riverside Drive in Saint Charles, MO, via the pedestrian crosswalk.

Judy was born Judith Magdalene Staebel on August 30, 1952, in Saint Louis, Mo., at Incarnate Word Hospital. She was the second of twelve children and at the time of her death ten of her siblings are alive.

Her family moved to Ballwin, MO., when she was a pre-schooler. She attended Holy Infant Roman Catholic elementary school through the eighth grade and then graduated from Lafayette High School. After high school she attended Nursing School at Barnes-Jewish Hospital and was licensed as a Registered Nurse in the State of Missouri. She later earned her BSN from Saint Louis University.

She married Michael Haenni on November 17, 1977, and they were married when she died. They were blessed with two children, Rebekah (Tristan Connor) Haenni and David (Kaitlin) Haenni. Judy was a loving wife and mother and cherished her time with her husband and children

Judy had a distinguished career as a dialysis nurse. In addition to working at Renal Dialysis Inc., and Affiliated Hospital Dialysis she worked in the Barnes-Jewish Hospital system; her 30 year anniversary would have been in October of this year. In quieter times Judy enjoyed reading, watching shopping channels, testing out the latest fashions, cooking, and attending craft fairs.

Judy's greatest interest was her family, including her siblings and extended family of aunts, uncles, and cousins, and of course her children. She also loved dogs and always included them in her life; she had two rescue dogs at the time of her death and hoped to work with shelters when she retired.

She was one of the most caring people with an even bigger heart. She is missed and will

always be remembered.

“ I am so sorry for your loss. My sister and I were at the St Charles riverfront that day and we stopped to talk to you and pet your dogs. One thing I was sure of that you and your husband had a great love for each other. I am so sorry for your loss.
