

Michael Dale GRIEVE

August 8, 1965 - May 7, 2019

Michael Dale Grieve, age 53, passed away on May 7, 2019. He has left us, returning to his beloved mother, Susan Kay Pompeo. He was born on August 8, 1965 in Wichita, Kansas.

He grew up in Springfield, Missouri, graduating from Kickapoo High School in 1983. Michael was an exceptional hunter/jumper in his adolescent years, until he found his love for cars, particularly Corvettes. As an adult, he was a world-class debt consultant, financial advisor, and mortgage broker, widely known throughout Houston, TX, St. Peters, FL, and the St. Louis region. All those who cared for Michael knew him as a friendly, charismatic, and fun-loving man. He was a great conversationalist, and often warm-hearted.

He is survived by the love of his life and best friend, Lisa Jane Mathre-Ruble, his father, Gary Grieve from Texas, and his 14-year-old daughter Arianna Karina Susan Grieve, who lives in Massachusetts.

A special thanks to all those who take time to remember his wonderful legacy. We invite all to comment below, sharing fond personal memories and stories relating to the life of this great and honorable gentleman.

“ Michael, I didn't personally know you. I have know your dear Dad since high school. I know how much he loved you @ your Mom. Your Dad is like a brother to me and I feel his pain in losing you. May you RIP with your Mom and God bless you. You will be greatly missed.

“ Gary, that was so sweet, touching and respectful. I know the trials and tribulations you and Michael have had over the years, but I still think you were the best thing that ever happened to him. The picture is amazing. I wouldn't have recognized him, since I haven't seen him since the 70's. Thanks for sharing and may you rest peacefully at night knowing you did your best,

“ Mike and I first met at delta outsource group and right off the bat became good friends. We both shared a love and passion for fast cars, as well a passion of hate for Brad Pitt! Mike was the definition of humble! he would give you the shirt off his back, even if it meant that it would leave him with with nothing. Mikey I'll never forget you brother, nor will I ever forget the nickname you had given me... Charlywog! Till we meet again my friend I'll always keep you in my heart.

“ I am so very sorry Lisa and I have many fond memories of Mike, you and I. He always had many stories to tell, a great sense of humor, loved to talk and always with a gentle voice. I remember him always happy and smiling and you could see his love for you. Gone way too soon but not forgotten.....RIP Mike.

“ Through flaws and life's struggles, he always took time to listen and respect me. I'm sad to see you go, but rejoice in your graduation from this mortal life. I'm happy to know you are no longer in pain or have ailments that weigh us down in this life. We will meet again on the other side. Thank you for being kind and welcoming, always. Thank you for helping rescue a family so that I had a better end to my childhood. Thank you for showing me that father figures come in different packages. I'm sorry for the time you wanted to take me to get pizza in your camero and I was being a selfish and difficult teenager. I wish we had that time to go back and do it again. Thank you for putting up with my teenage angst and for loving my mom. Thank you for always being a friend and confidant. We will miss you dearly and we look forward to seeing you again soon.
