

## Patricia "Patti" Sue LEIDING

September 13, 1944 - April 4, 2019

Patricia (Patti) Sue Leiding was one of those rare people with a heart of gold. The way she passed was just like she lived: writing her own rules and paving her own way. If someone said she couldn't do it, she would make sure she could. She was a feisty spitfire with enough spunk to truly last a lifetime! She was the quintessential mother, nurturing and bringing comfort to everyone in her life. She was by nature a champion for her family and those closest to her, and her greatest joy in life was being a memaw. The heritage she leaves her children and grandchildren is one of compassion, strength, loyalty and the importance of just being you. She will be remembered and honored as a gift to us all. She was a rare combination of someone who had a love of life as well as a firm understanding of what was important – living your life with those you love. Material things never mattered to her.

As a widow, Patti set a marvelous example of courage in adversity. She loved football, basketball, baseball, being outdoors, traveling, cooking, listening to music and spending time with grandchildren.

Patti was an amazing mom and a loving wife, memaw, sister, and daughter, and was a kind and giving woman. Patti (Trish, Mom, Meemaw), you are our example and the rock of our family and we will miss you dearly. We find comfort in knowing that heaven has gained an angel and that our separation from you is only temporary. We know you are enjoying eternal happiness with your husband in heaven.

Patti is survived by daughter Carolyn Leiding and son Patrick Frye, daughter-in-law Carrie Frye, grandsons Parker Frye and Beckett Frye, granddaughter Keaton Frye, sister Linda Shannon, and brothers Michael, Thomas and Robert Shannon.

A "Celebration of Life" will be held on April 20th from 12pm-4pm at Laurel Park in St. Peters, MO.
